A MESSAGE FROM THE PRESIDENT

Presidents Report July 2011

What a Show!! Where do we improve!!

I had a great time at the National Orpington Show. The Queanbeyan Poultry Club people are wonderful hosts, thank you to them. Congratulations must go to you, the breeders. The quality of the birds was outstanding. It was a real pleasure to walk in and be blown backwards by the spectacle of row upon row of good birds. This sudden realisation that the family favourite has to smile and look better than he does at home to win a card is what it is all about. A visit to this show is a must for anyone who wants to breed good Orpingtons.

I was pleasantly surprised to see so many buyers wanting to buy quality birds. If a breeder wins at the ORP. show in the next few years, it will only be with a very good bird. The gauntlet is thrown down, the challenge set. Pair up your breeding pen carefully, by trying to improve the little things you need to be the winner and go for it.

Our show has excited people from all over Australia and in fact, the Orpington world. We have sent the winning raffle prize to the owner hundreds of miles away and I know when they get it, they will feel they are part of the Orpington Family, even though they are on the other side of our very large country. Our friends in the other countries that sent us support trophies and letters of well wishes have been notified of the show's success and they will receive a copy of the newsletter. This international support is so comforting. Thank You to our overseas supporters!!

Lastly, thank you for the huge effort by many members, they all know who I am referring to, sponsorship, raffle prizes donated, and the little tasks on the day all are part of the overall success of our show. Thank You for making this day a beauty.

Robert Callinan

President -The Orpington Club of Australia

From The Secretary's Desk

Greetings to all Orpingtonians,

Well, was that a Show or wasn't it? Our Fifth National Orpington Show far exceeded all expectations with the massive entry of 373 Orpingtons easily outstripping the previous best at Albury in 2005.

The response should be seen as a great tribute to our Judge, Robert Hunt, a long time Member and Orpington breeder who last judged our Club Show at Goulburn way back in the 1990's.

Early indications were suggesting that we were in for a very good entry, and as the nominations steamed past the 250 mark with a fortnight to go, the Club Committee was faced with a decision. Realizing that one man could not be expected to do justice to the projected entry, we decided to call in Kim George, a very experienced Softfeather Judge, who was already scheduled to pass judgement upon the Brahmas and Cochins at the same Queanbeyan venue on the same day. So, the decision was made.

Robert would handle all the Blacks, Buffs and Blues in both Large Fowl and Bantams. Kim would judge the classes only, in the rest of the varieties, with Robert deciding the Champions in those colours. This of course meant that Robert could then consider those birds for the overall Champion Awards. This procedure was somewhat of a "first", but it seemed to work very well. And it allowed us to have the winning birds photographed early, rather than leaving that important task till the last minute. The judging was finished early, leaving plenty of time for the important business at the end of the day. The whole day seemed to run very smoothly with many people commenting on how quickly the cards went up, and how good it was to see the Champion rosettes on to the winning birds very shortly after the awards had been decided. I would like to thank everyone concerned for their sterling efforts, with particular mention to Tony Standing and Cathy Pobje for their tireless efforts in getting the awards onto the pens. Martin Doulton was, as usual, a tower of strength behind the scenes, and our Stewards, Jayne Stannard and Simon Beven did a great job keeping the judging moving at the necessary speed.

* Please allow me to extend the Club's grateful thanks to the Committee of The Canberra Queanbeyan Poultry Club for hosting our Show in such brilliant fashion. I must say that the co-operation and support that we received was absolutely outstanding, and it is easy to see why this Club is regarded as one of the most progressive in N.S.W. The President, Greg Davies was on the go all weekend, and he is also

From The Secretary (cont.)

responsible for many of the pictures of the winning birds in this issue. The Secretary, Terry Turner, and the willing workers in the Canteen all certainly helped make the Show a memorable one. Here, I would like to give a special thanks to Peter Shands, the Treasurer of the host Club and a good friend of ours. His assistance has been absolutely outstanding right from when we first started considering Queanbeyan as a venue for the Show. I was blown away when Peter (a high powered businessman, and no doubt with plenty to attend to on a Friday) was first on the scene at the pavilions, diligently helping me to put the pen tickets on the cages to ensure that early comers would be able to pen their birds straight away. Little things like that are not forgotten in my book.

So, well done Queanbeyan! Our next National Show will not be held until 2013, but I doubt if we can come up with a better venue. One that is reasonably accessible to all, and therefore fair to the majority of our Members.

*Our Saturday night function was held at one of the local Clubs, and provided a very pleasant finale to what had been a thoroughly enjoyable day. About 40 people from our Club were joined by our Judges and Mr and Mrs Greg Davies as our guests for the evening. The Club Committee decided that, in view of the record entry, we should give a bit back to our exhibitors by hiring a private function room for our dinner (complete with a drink waiter!) All voted the evening a great success.

- I would like to record my thanks also to Sue Barker, Judy Witney, and Robert Callinan for their photographic work included in this issue.
 - Our Show provided some memorable highlights and, although readers will understand that I personally, did not get much of a chance to view the birds, I will list some of my recollections.
1. The 42 Standard Black pullets with the Stannards taking six of the top seven awards. Extraordinary!
 2. The 37 Standard Buff pullets with the Crookwell maestro, Simon Beven standing 1 and 2.
 3. Sonya Ford's Standard Blue cockerel. I did not see him till just before judging started, but he had me rushing back to my books to see who owned him.
 4. Martin (Waninga) Doulton's Standard White cock. Had the flashing red light on him the moment I saw him. The best White we have seen in the East for many, many years.
 5. Sue (The Cuckoo Breeder) Barker's Crele Legbar-type cockerel. Great example of a new colour.
 6. The 100+ plus Bantams which was easily a record for our Show. Quality high and awards spread around.
 7. The World's youngest Champion Orpington exhibitor, Rose Gibson, decked out in Western gear and receiving her trophies from Rob Callinan.

*Must give a special vote of thanks to our Member, Mick Dubbeld from Victoria. Most will recall that Mick very kindly donated a Maremma puppy to assist Club funds. The puppy sold for \$300, and the proceeds will be a great boost to our Club coffers. Great gesture Mick!

Thanks are also due to those two livewires from Victoria- Sue Barker and Jenny Stewart. Always coming up with ways to promote our Club and the breed, the girls had their latest initiatives on display at the National. Jenny has had some very attractive fridge magnets made (depicting the various Orpington colours) and these proved a most interesting, and popular, addition to our merchandise table. Sue Barker has produced a very striking cloth fabric patch suitable for sewing on to jackets and caps. We have a limited number of these available right now, and details can be seen on page 12 of this issue. Thank you ladies- every little bit helps.

* Our raffle proved a wonderful success this year, thanks to the ticket sellers and to all those people who donated prizes. The two top prizes were the books donated by Jenny Stewart, and let me tell you, I could have sold them a dozen times over! First Prize (The Orpington Fowl book, by Will Burdett and Dr. Batty) was won by Lester Flint from W.A. with a ticket returned from the last Newsletter. I did not advise Lester, so I hope the postman brought him a nice surprise. The Second Prize (the Grant Brereton book) was scored by one of our newer Members- John Bowman. Many thanks to Pam Callinan, Simon Beven, Chris Hardman, the Keirls, Ross Gibson and Laucke Stockfoods for their kind donations. Since our last Newsletter, we have had another influx of new Members, including four who joined up at the Show. Our Club bids you all a hearty welcome, and we hope your involvement with our wonderful breed is a long and fulfilling one. We are all here to assist you in any way possible.

With the highlight, and main showing part of the season now over, this will be our last Newsletter for a while, so I bid you all a good breeding season and pleasurable times with your Orpingtons-

Best Wishes- Dallas Smith

We'll bet the topic was Buffs! Jenny Stewart and Simon Beven cleaned up in their favourite colour.

PRESIDENTIAL RAMBLINGS.

I was preparing my fowls for the Orpington Club Show 2011 when I looked out of my shed window to see the young man next door smirking and smiling as he walked by. It must seem funny to a non poultry person to hear the conversation that happens when you are pen training or preparing a bird for show.

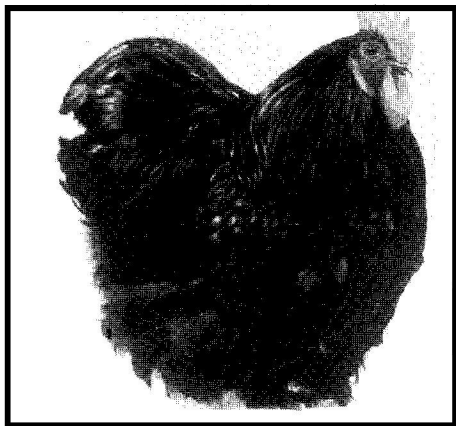

Fowl Business

Is that triple o, emergency; it's about the bloke next door,
He's in his shed saying things I've never heard before.
You'd better bring a straight jacket, you'll need one that's a fact,
For I think he's bent or broken or very badly cracked.
He keeps telling chooks he loves them and they look so debonair,
Saying they look much better with their tails up in the air.
He baths and then blow dries them and oils their combs to shine,
He feels their breasts and then he says their legs are looking fine,
He asks them if they want to be the Queen of Queanbeyan,
Promising them all sorts of things when they win it; if they can.
Win what, a beauty pageant; I think he's lost his mind,
He keeps mentioning a national title, is he mad or being kind.
Please hurry mate, don't dawdle 'cause he's gone back down the yard
To where he keeps the roosters: Hearing that will sure be hard.

He made strong mention of the way that the Club had been hosted by The Canberra Queanbeyan Poultry Club, stating that the venue and support was ideal and that he felt we were certain to return to Queanbeyan again.

Robert said that he was greatly pleased by the continued improvements in our Orpingtons, particularly in some of the worrying aspects of the breed in previous years. He felt that the Club Executive continued to work well together, and he hoped that the Club would continue its strong progress.

The Secretary reminded the Meeting that he felt that, of prime importance was the election of a Show Secretary, particularly in regard to the Canberra National Poultry Show 2012. He also added that Jenny Stewart should be nominated to fill an extra position on the Southern Committee.

Secretary's Report A.G.M 2011.

Once again I can report on another outstanding year for the Club, with an ever-increasing Membership, helping us to stage a record breaking Show. The wonderful support from our Members, whether by entries or donations has seen us being able to present an outstanding event, one which would stand comparison to any National Orpington Show in the World. The massive entry should serve as a resounding tribute to our Judges, and here I would like to pay tribute to our hosts, The Canberra Queanbeyan Poultry Club. Their whole Executive Committee, and in particular, Peter Shands, have exceeded all our expectations in providing our Club with the outstanding facilities at their venue.

The Balance Sheet will show that we remain in a very sound position despite encountering higher overhead expenses in a number of areas regarding the Show. However, I am sure that our Members will agree that our Show has been a truly "quality" event, completely justifying the added expenses. I make the point here that our Club basically revolves around the promotion of the Annual Show. It is our shop window and remains the best way to promote our breed.

We have again strengthened our links with our overseas Orpington friends, and it is safe to say that our Club has established a prominent part on the stage of the International Orpington fraternity.

I would like to recognize the growing, and concerted support for our Club coming out of Victoria. That State can now boast a band of Orpington fanciers who contribute an enormous amount of much needed funds and publicity towards the well-being of The Club. Those people know who they are, and I can not let the opportunity go by without placing my personal thanks on record. On the same theme, we can look forward to our brand new website "Orpingtons Australia" being available very shortly. Thanks to Jenny Stewart for her very hard work on this project. I would also like to thank Jenny

(along with Judy Witney) for their very generous donation towards our Club sponsoring the Orpington colour plates in the forthcoming update of The Australian Standards.

Finally, as we approach 2012, I believe that, in the interests of the Club, we should appoint a Show Secretary, at least for the Royal Canberra National Poultry Show. I am unable to attend that Show next year, and I firmly believe we need to have the right person to act as our link to the Organising Committee. That person would be responsible to attend to all details of our Sponsorship and all matters pertinent to our possible operation of a Breed Information Stand as in 2008.

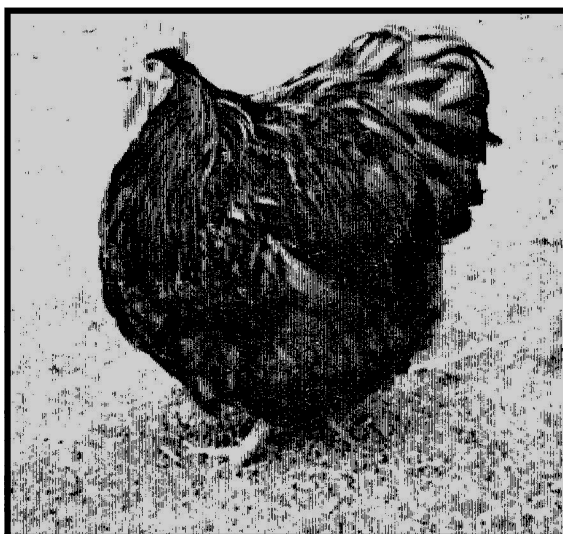

Thank you for all your support and friendship-

Dallas Smith

Pictured here is the famous Black Cock owned by our Foundation President, Jim Blatch. This bird was Best In Show at one of our Club's Annual Shows in the 1990's.

A massive bird, he has been described as the best Black Orpington seen in Australia for many years. This picture met with critical acclaim overseas too, with the bird being lauded as "*good as anything in England*" at the time.

This image adorns our Club Badge and is also the centrepiece for "The Jim Blatch Shield", one of The Club's greatly treasured Perpetual Trophies.
